IMPORTANT INFO

TMC will be holding a full training course for inexperienced Entertainers in Cyprus costing EURO 25 per night which includes food and accommodation. TMC will assist in constant supervision throughout the season from April 1st until November 1st 2009.

LENGTH OF ASSIGNMENT:

1st April until 1st November 2009.

ENTERTAINMENT MANAGER'S JOB DESCRIPTION

TMC is looking to recruit more than 20 people with the strength and personality to lead a Team of young people in a lively Holiday atmosphere. Can you make on the spot decisions to ensure your guests remain happy and satisfied at all times? If you feel that you have what it takes to bring together a team of individuals and help make them into a TMC Entertainment Team then we want to hear from you! Your job will partly be to supervise the Entertainments' Programme and the standard of your Team's Performance. However we at TMC believe that the best leaders lead by example so you'll be joining in with all the activities as well. Therefore previous experience in Entertainment is essential.

As a Team Leader you will be responsible for the management and supervision of the Hotel Entertainment in co-operation with the Hotel Management and TMC Supervisor. This includes The Evening Shows and The Daytime Programme.

ENTERTAINER'S JOB DESCRIPTION

As a TMC Entertainer you will be enthusiastic, bubbly and with outgoing personality. You will have something special to add to our Entertainment Teams. Whether this is a language skill, such as German, French, Italian or Russian, or being great at sports, singing or dancing, or simply being an all round entertaining person, your skill is important to us. Of course we don't expect you to be great at everything; all we ask is that you're up for a laugh and willing to give anything a go. Working within a team in a hotel you'll be responsible for Daytime Activities that range from Aqua Aerobics and Beach Volleyball to Darts and Children's Activities. In the Evening you might find yourself performing in one of our many Shows with up to 10 other performers, or hosting a Theme Night or Karaoke.

SPORTS ENTERTAINER'S JOB DESCRIPTION

As a TMC Sports Entertainer you will be enthusiastic, bubbly and with outgoing personality. You will need skills in sports and a love of team games to be part of our Entertainment Teams. Working within a team in a hotel you'll be responsible for Daytime Activities that range from Water Polo and Beach Volleyball to Darts. You'll be expected to encourage guests to join in whether they have any experience in the activity or not and you'll have the ability to make everyone feel welcome and make sure everyone has a great time. The emphasis is on fun and enjoyment not serious competition and you'll make sure that you are in control of all the activities. Additional skills such as a language, for example German, French, Italian or Russian, or being great at singing or dancing are an additional bonus. Of course we don't expect you to be great at everything; all we ask is that you're up for a laugh and willing to give anything a go. In the Evening you might find yourself performing in one of our many Shows with up to 10 other performers, or hosting a Theme Night or Karaoke.

CHILDREN'S ENTERTAINER'S JOB DESCRIPTION

TMC is looking to recruit over 25 Children's Entertainers who are enthusiastic, bubbly and with an outgoing personality. English language skills are a must and any other languages will be an advantage, **ESPECIALLY GERMAN or RUSSIAN**. NNEB qualified or equivalent and past experience with Children is a big plus.

TMC is looking to recruit Children's Entertainers who can provide a Fun and Active Entertainments Programme for Kids, this can range from Mini Olympic Team Games to a Pirate Day around the Pool. In the Evening you will be co-hosting Children's Discos, Children's Parties or assisting the Entertainers with their shows. This includes compering on a microphone. As a Children's Entertainer you'll be expected to implement this programme with energy and enthusiasm whilst ensuring that the children are safe and happy at all times. If you feel you have the relevant skills to achieve this then we want to hear from you!

AEROBICS JOB DESCRIPTION

During the Daytime you will be expected to implement a varied fitness programme that will range from Aqua Aerobics and Aerobic Classes to assisting people with Gym Training. In the Evening you will join the Entertainment's Team for their Spectacular and Fun Hotel Shows and Theme Nights.

STREET ENTERTAINERS JOB DESCRIPTION

During the Daytime you'll be expected to use your skills as a street artist, whether this is stilt walking, juggling, acrobatics, human statue, magic, or more, to entertain the guests around the pool areas. In conjunction with your skills you will PR with the guests to promote the evening entertainment where you will perform before, during or after the show. Also during meal times you will be by the restaurant to attract the guests attention and remind them about the upcoming evening performance. Working hours to be decided dependant on skills offered.

SOUND TECHNICIAN/STAGE DECORATOR

As someone who is qualified with sound equipment or has had previous experience working in a hotel environment with sound systems you will be responsible for making sure that the sound is set up correctly every day. That sound checks are performed with the singers before each show. In addition to this in the daytime with your skills in design you will be responsible for the stage decoration on a daily basis. The evening is when you will do the majority of your work, you will be responsible for the sound from the start of the evening before the guests arrive, through kids disco and warm ups to the main evening show and into a disco afterwards when you will finish at 12 midnight. You will also be responsible for packing away the sound at the end of each evening. If you have the skills and knowledge for this job then we want to hear from you!
